

Colin Holbrook, PhD

Research Scientist

Center for Behavior, Evolution, and Culture
Department of Anthropology
University of California, Los Angeles
341 Haines Hall, Box 951553
Los Angeles, CA 90095-1553
Email: cholbrook01@ucla.edu

Education

- | | |
|------|---|
| 2010 | PhD, Cognitive Science
Queen's University, Belfast, School of History and Anthropology |
| 2000 | B.A., Cognitive Science
B.A., Religious Studies
University of California, Berkeley |

Research Interests

Threat-detection, Group Bias, Social Judgment, Morality, Theory of Mind, Evolutionary Psychology

Awards or Grants

- | | |
|------|--|
| 2017 | Defense University Research Instrumentation Program. <i>Configurable Anthropomorphic Robot to Assess Threat-modulation of Trust in Machine Agents</i> . \$141,481. |
| 2015 | AFOSR Young Investigator Program. <i>Group Bias and the Attribution of Mental Properties to Allies, Antagonists, and Automata</i> . 3-year grant, \$360,000. |
| 2014 | UCLA Chancellor's Award for Postdoctoral Research, \$5,000. |
| 2012 | UCLA Clinical and Translational Science Institute Transdisciplinary Seed Grant. <i>Reducing Group Prejudice with Neuromodulation</i> . Dan Fessler (P.I.), Marco Iacoboni, Colin Holbrook, and Keise Izuma. 12-month grant period, \$25,000. |
| 2006 | Queen's University, Belfast. Overseas Research Student Award, \$110,000. |

Submitted Manuscripts

Holbrook, C. (submitted). Cues of violent intergroup conflict modulate perceptions of robotic personhood.

Fessler, D.M.T., & Holbrook, C. (invited revision). A cold wildfire: Declination and the spread of antisocial behavior. *Evolution and Human Behavior*.

Sparks, A., Fessler, D.M.T., Chan, K.Q., Ashokkumar, A., & Holbrook, C. (invited revision). Disgust as a mechanism for decision making under risk. *Emotion*.

Manuscripts in Preparation

Holbrook, C. (in preparation). Emotion in evolutionary context. In A. Scarantino, (Ed.), *Routledge Handbook of Emotion Theory*. New York: Taylor & Francis.

Holbrook, C., Fessler, D.M.T., & Navarrete, C. (in preparation). Stature or danger? Racial threat stereotypes influence the conceptual link between physical size and status.

Holbrook, C., & Fessler, D.M.T. (in preparation). Harm when sanctioned versus at a distance: Distinct affective pathways to attenuated moral condemnation.

Holbrook, C., Yoon, L., Fessler, D.M.T., & Kim, H. (in preparation). Moral condemnation and holistic causal attribution in Los Angeles and Seoul.

Holbrook, C., Hahn-Holbrook, J., & Rosch, E. (in preparation). Known unknowns: Inductive reasoning under conscious ignorance.

Professional Experience

2015–present *Research Scientist*, Department of Anthropology, University of California, Los Angeles.

2010–2015 *Postdoctoral Research Fellow*, Center for Behavior, Evolution and Culture, Department of Anthropology, University of California, Los Angeles.
Mentor: Dr. Daniel M. T. Fessler.

2006–2010 *PhD Candidate*, Institute of Cognition & Culture, Queen's University, Belfast.

Professional Service

Ad Hoc Reviewer: *Cognition; Psychological Science; Journal of Personality and Social Psychology; Social Cognitive and Affective Neuroscience; Biological Psychology; Biology Letters; Evolution and Human Behavior; Cognition and Emotion; Perspectives on Psychological Science; Neuroscience Letters; Public Library of Science; Social Cognition; European Journal of Social Psychology; Aggressive Behavior; Journal of Cognition and Culture; Personality and Individual Differences; Evolutionary Psychology; Journal of Applied Social Psychology; Social Behavior and Personality*

Doctoral Student Committee Member: Dr. Jeffrey K. Snyder, 2010-2012.

Doctoral Student Committee Member: Ed Clint, 2015-current.

Teaching Experience

2010 – 2017 University of California, Los Angeles
Co-Instructor: *Research Methods Seminar*

Spring, 2016 Chapman University
Instructor: *Motivation and Emotion*

Winter, 2015 Chapman University

Spring, 2014 Instructor: *Motivation and Emotion*
 Chapman University
 Instructor: *Motivation and Emotion*
 Fall, 2013 Chapman University
 Instructor: *Motivation and Emotion*

Invited Presentations

Holbrook, C. (2017, February). *Group prejudice in the threatened brain*. Invited presentation, University of California.

Holbrook, C. (2017, February). *Social cognition under threat*. Invited presentation for the Department of Psychology, Western University, London, Ontario, Canada.

Holbrook, C. (2016, November). *Reason under peril*. Invited presentation for the Department of Psychology, CUNY-Hunter College, New York.

Holbrook, C. (2016, March). *God and group prejudice in the threatened brain*. Invited presentation for the Department of Psychology, Chapman University, Orange.

Holbrook, C. (2015, December). *When foes loom large: Representations of relative formidability and social cognition*. Invited presentation for the Research Center for Group Dynamics, University of Michigan, Ann Arbor.

Holbrook, C. (2015, December). *Serial homology and social judgment under threat*. Invited presentation for the Department of Psychology, University of Warwick, Coventry, England.

Holbrook, C. (2015, January). *Reason's shadow: Threat adaptations shape concepts of social prestige and displays of ideological zeal*. Invited presentation for the Department of Psychology, University of California, Santa Barbara.

Holbrook, C. (2014, December). *Conceptual mediators of threat assessment and judgment bias*. Invited presentation for the Department of Psychology, University of Toronto.

Holbrook, C. (2012, June). *Worldview defense and unconscious alarm*. Invited presentation for the European Science Foundation Expert Meeting on the Motivational Foundations of Worldview Defense. University of Salzburg, Austria.

Holbrook, C. (2012, May). *Why thoughts of death or isolation magnify group prejudice*. Invited presentation for the Center for Behavior, Evolution, and Culture. University of California, Los Angeles.

Holbrook, C. (2011, October). *Selection or serendipity? Reframing apparent psychological adaptations for terror, uncertainty or coalition management as evolutionary by-products*. Invited presentation for the Department of Psychology, University of California, Los Angeles.

Holbrook, C., & Hahn-Holbrook, J. (2009, May). *Relationships with God and altruistic violence*. Invited presentation for the Psychology and Religion Research Group, University of Cambridge, Cambridge, United Kingdom.

Professional Development

Member: Experimental Biological Anthropology Lab. Drs. Haselton, Barrett, and Fessler, 2010-2017.
Participant: AHRC Culture and the Mind Project, 2010-2014.

Professional Affiliations

Society of Experimental Social Psychology; Human Behavior and Evolution Society
